Dear Mr. Crawford,

I have enclosed the Spondylitis Association of America's Certificate of Appreciation to thank you for your support of the 6th annual "A Walk in the Park: On Your Feet to Defeat AS, held May 20, 2006 at Lake Balboa.

We are pleased to report that thanks to your support and the support of others like you, SAA surpassed all of its goals. Not only did this event prove to be a financial success, it also increased awareness of AS to our Southern California communities with coverage in both print and broadcast media.

We greatly appreciate the Printing House's cutting the 1,500 event Save-the-Date Cards and folding 4,000 event registration brochures donation. This generous contribution will help us continue our vision to uncover the cause, discover the cure and promote the prevention of AS and related diseases, forever ending the pain and disability of Spondylitis.

On behalf of the Spondylitis Association of America, thank you for making the day such a special one, for all of us.

Sincerely,

A handwritten signature in blue ink that reads "Alice Gluckman". The signature is fluid and cursive, with the first name "Alice" and the last name "Gluckman" clearly legible.
