June 6, 2006

Dear B.J.,

All of the volunteers and officers of Parents Against Leukemia (PAL) wish to thank you for your most generous contribution of printing 8,000 raffle tickets for our 2006 Tennis Tournament and Luncheon on May 15, 2006.

All monies raised goes to fund a researcher at U.C.L.A. Medical Center who strives to find a cure for leukemia, a form of cancer that destroys the blood producing system. It is the #1 fatal childhood disease, but it kills more adults than children.

We are happy to tell you that our luncheon was a tremendous success and you were an important part of it. We reached an all time high in money raised this year and were able to give The Leukemia & Lymphoma Society a check for \$70,000 for our researcher.

Our deepest appreciation goes to The Printing House. Your printing donation valued at \$_____ was such a great help in our continued commitment to fight this dreaded disease.

Enclosed is your ad that was in the PAL program. This was given to 550 participants.

Thanks again for your support.

Sincerely,

Midge Reisman
Vice President
